♦ Costs Little, But Boes the Work ♦ Quickly, or Money Refunded. ♦ 00000000000000000

Mix one pint of granulated sugar with ½ pint of warm water, and stir for two minutes. Put 2½ ounces of Pinex (50 cents worth) in a pint botthe; then add the Sugar Syrup. Take a teaspoonful every one, two or three

a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep-seated cough inside of 24 hours. Splendid, too, for whooping cough, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough.

This recipe makes more and better cough syrup than you could buy readymade for \$2.50. It keeps perfectly and tastes pleasant.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in guiaicol and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Pinex and Sugar Syrup (or strained honey) has proven so popular throughout the United States and Can-ada, that it is often imitated. But the old, successful formula has never been
